

## Discount Requirements and Instructions

PAR has developed a special discount program for graduate students conducting master's thesis or dissertation research using any of our proprietary assessment instruments (i.e., not all products listed in our catalogs and on our website are actually published by PAR). If you are not sure whether the product you are interested in qualifies for the discount, or if you have any other questions prior to submitting this discount form, please contact our Customer Support Center by e-mail at CS@parinc.com or by phone at 1.800.331.8378 or 1.813.449.4065.

**If your Graduate Student Discount Order Form is completed satisfactorily, you can expect to receive a 40% discount on your order.** To figure the adjusted total, deduct the 40% discount from your order subtotal, then calculate any tax and shipping charges based on the discounted subtotal. All payments should be submitted in US dollars.

### To qualify for this discount, you must meet the following conditions:

- The order subtotal must be \$50 or more before the discount.
- The product(s) you are ordering must be published by PAR.
- You must complete this Graduate Student Discount Order Form and submit it with your order. Please note that this form is different from our regular Qualification Form.
- If your school will be purchasing the assessment materials on your behalf, your completed discount form must be included with your school's payment or purchase order.

Once you have completed this discount order form and are ready to place your order, please fax, mail, or e-mail it to the attention of **PAR Customer Support**.
