A flexible, timed power test of reasoning ability

- Administer and score 24/7 using our online assessment platform, PARiConnect, or with paper and pencil.
- Evaluate job candidates and test reasoning ability quickly.
- Includes two equivalent forms, which enable you to retest and monitor progress.
- Can be administered by a qualified proctor, teacher, or administrator.
- Yields a General Reasoning Index (GRI), a highly reliable score that reflects overall measurement of the general factor of reasoning and problem-solving skill.
- Offers a wider variety of item content and greater test score stability than competing measures.
- Features minimal racial, gender, and religious bias, making it ideal for selection purposes.
- Standardized on a sample of 3,013 individuals matched with 2010 U.S. Census statistics.
- Provides multiple types of scores, including z scores, normal curve equivalents, stanines, percentiles, and, for younger examinees, age equivalents.
- A white paper provides step-by-step instructions on how to administer the TOGRA remotely, using PARiConnect and your videoconferencing platform.
