

Trauma Symptom InventoryTM-2

Change Score Report

by

John Briere, PhD,

and PAR Staff

Client Information

Name: Sample Client

Client ID: SC 11-01

Sex: Male

Time 1 age: 46

Time 2 age: 46

Race: Hispanic

Birth date: 11/24/1963

Report date: 01/06/2011

This report is confidential and is intended for use by qualified professionals only. This report should not be released to the individual being assessed.

Portions of this report examine domains of trauma that may suggest the need for direct and expeditious intervention. The professional using this report should examine the results at her or his earliest convenience and, in conjunction with other sources of information about the client, provide timely follow-up, treatment, or referral.

TSI-2 Reliable Change Score Summary
